BIOGRAPHY

TWO WORLDS. ONE X.

KXAZANOVA is the afro house & electronic project of Venezuelan-born, Amsterdam-based DJ and producer Casanova Beatz — tribal percussion crossed with the deep, hypnotic groove of European house.

His biggest record "Bumbata" (334K+ streams) is a collab with afro house heavyweight Aaron Sevilla on AFRODISE. Nine independent labels, a collab with Burak Yeter, the new single "Soca" (Make The Girls Dance Records), and 20,000+ monthly listeners in 30+ countries.
